The Honorable Doug Ose  
United States House of Representatives  
722-B Main Street  
Woodland, CA 95695

Dear Representative Ose:

It was a pleasure to meet with you and your staff on March 22, 1999. I hope the information we were able to provide regarding the CALFED Bay-Delta Program was helpful.

During our discussion of the ecosystem restoration coordination program (Category III program), you asked for information on which projects are receiving federal funding. In response to that question, I have enclosed listings of projects indicating the funding source for each project. These listings match the annual project lists included as appendices to the February 1999 Briefing Packet that we provided during our meeting.

I hope this information is helpful. Please call me at (916) 657-2666, or Daniel McCarroll, CALFED legislative coordinator at (916) 653-5704, if you have additional questions on this material.

Sincerely,

Lester A. Snow  
Executive Director

Enclosure
